

USERS GUIDE

- To move around the map, use the arrow keys on your keyboard or the right click on your mouse:

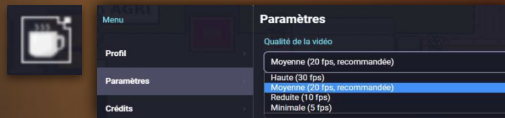

- To interact with other participants, simply move closer to their avatars to start a video and audio exchange.

- To activate or deactivate your camera or microphone, click on the following icons at the bottom of your screen:

- For smoother browsing (in the event of insufficient bandwidth, for example), click on the "Cup of coffee" icon at the bottom of the screen, then in "Settings", select "Reduced" video quality:
